To Whom It May Concern:

Please accept this letter as the highest form of formal recommendation for Katherine Honey. Katherine has been the resident harpist at Alta Bates Summit Medical Center's Summit Campus in Oakland beginning mid-year 2008. Not only is Katherine an extremely talented musician, her personality lends itself to positive interaction with our patients, family members, physicians and employees, during often stressful times. Katherine has demonstrated the highest level of professionalism, and her warmth and compassion for our patients and visitors did not go unnoticed. Administration has received countless compliments and positive feedback about Katherine, not only about her musical talents but her sense of caring.

Katherine is a joy and her talent will be sorely missed at Alta Bates/Summit Hospitals. We wish her much continued success in her career as she transitions to the South Florida area. I am confident that Katherine will be an asset at any institution for which she provides services.

Sincerely,

Karen Weaver
