To Whom It May Concern,

I am writing this letter to recommend Katherine Honey for employment.

Katherine has worked with the Palace Hotel, a Starwood Hotels & Resorts Luxury Collection property, for almost 21 years now. While working as our premier harpist, Katherine's musical talents have been greatly appreciated and admired. Katherine possesses many strong qualities that have contributed to the success of our guest's experiences. She is loyal, hard-working, friendly, reliable, very talented and takes great pride in her work. Sitting in the Garden Court during our holiday Santa Tea, Katherine looks a vision to behold as her elegance and class are so complementary to the European grandeur and history of our restaurant.

Katherine Honey is an asset to any organization, as she brings with her the qualities of talent, professionalism and kindness. I am personally proud to have worked with her during my past eight years at this property and am pleased to be able to highly recommend her. If you require further information, please do not hesitate to contact me at 415-546-5045.

Sincerely,

Chantal Dominique Anderson
